GONE, BUT NOT FORGOTTEN
PINE GROVE
CEMETERY

As I set about working on this survey of Pine Grove Cemetery in Phenix City, Alabama, I was drawn more and more into this remarkable cemetery set atop a beautiful hill. One gets a sense of serenity, and peace. In spring and summer Mother Nature out does herself with all the beautiful wildflowers and her array of colors.

On February 11, 1990 a tornado bushed the top of this beautiful hill, destroying its majestic magnolias and cedar trees. The storm toppled headstones, toppled trees onto slabs thereby breaking them. The cemetery is now in dire need of repair.

I hope this work will help other genealogists, but the main reason I set about doing this work is to insure the people lain to rest there will be remembered, "GONE, BUT NOT FORGOTTEN".

While reading old newspapers looking for obituaries on some of the marked graves, I ran across some funeral notices of persons buried in Pine Grove with no markers. I have included these obituaries in the back of this compilation, "GONE, BUT NOT FORGOTTEN."

The cemetery is broken down into nine sections, A thru I. The master map will show where each section is located and at the beginning of each section is a hand drawn map showing the location of the grave or lot. Obituaries of persons 70 years of age or over were recorded, in some instances, the death date was not known from the slab and the newspaper account revealed them to be younger, these are also included.

My heartfelt thanks to the staff of Bradley Memorial Library Reference Department for all their assistance. Thanks to the City Clerk of Phenix City, Ala. and his staff for allowing me to copy Mr. Gresham's original journal of lots in Pine Grove. Many thanks to my husband, Marshall, for all his patience and help.

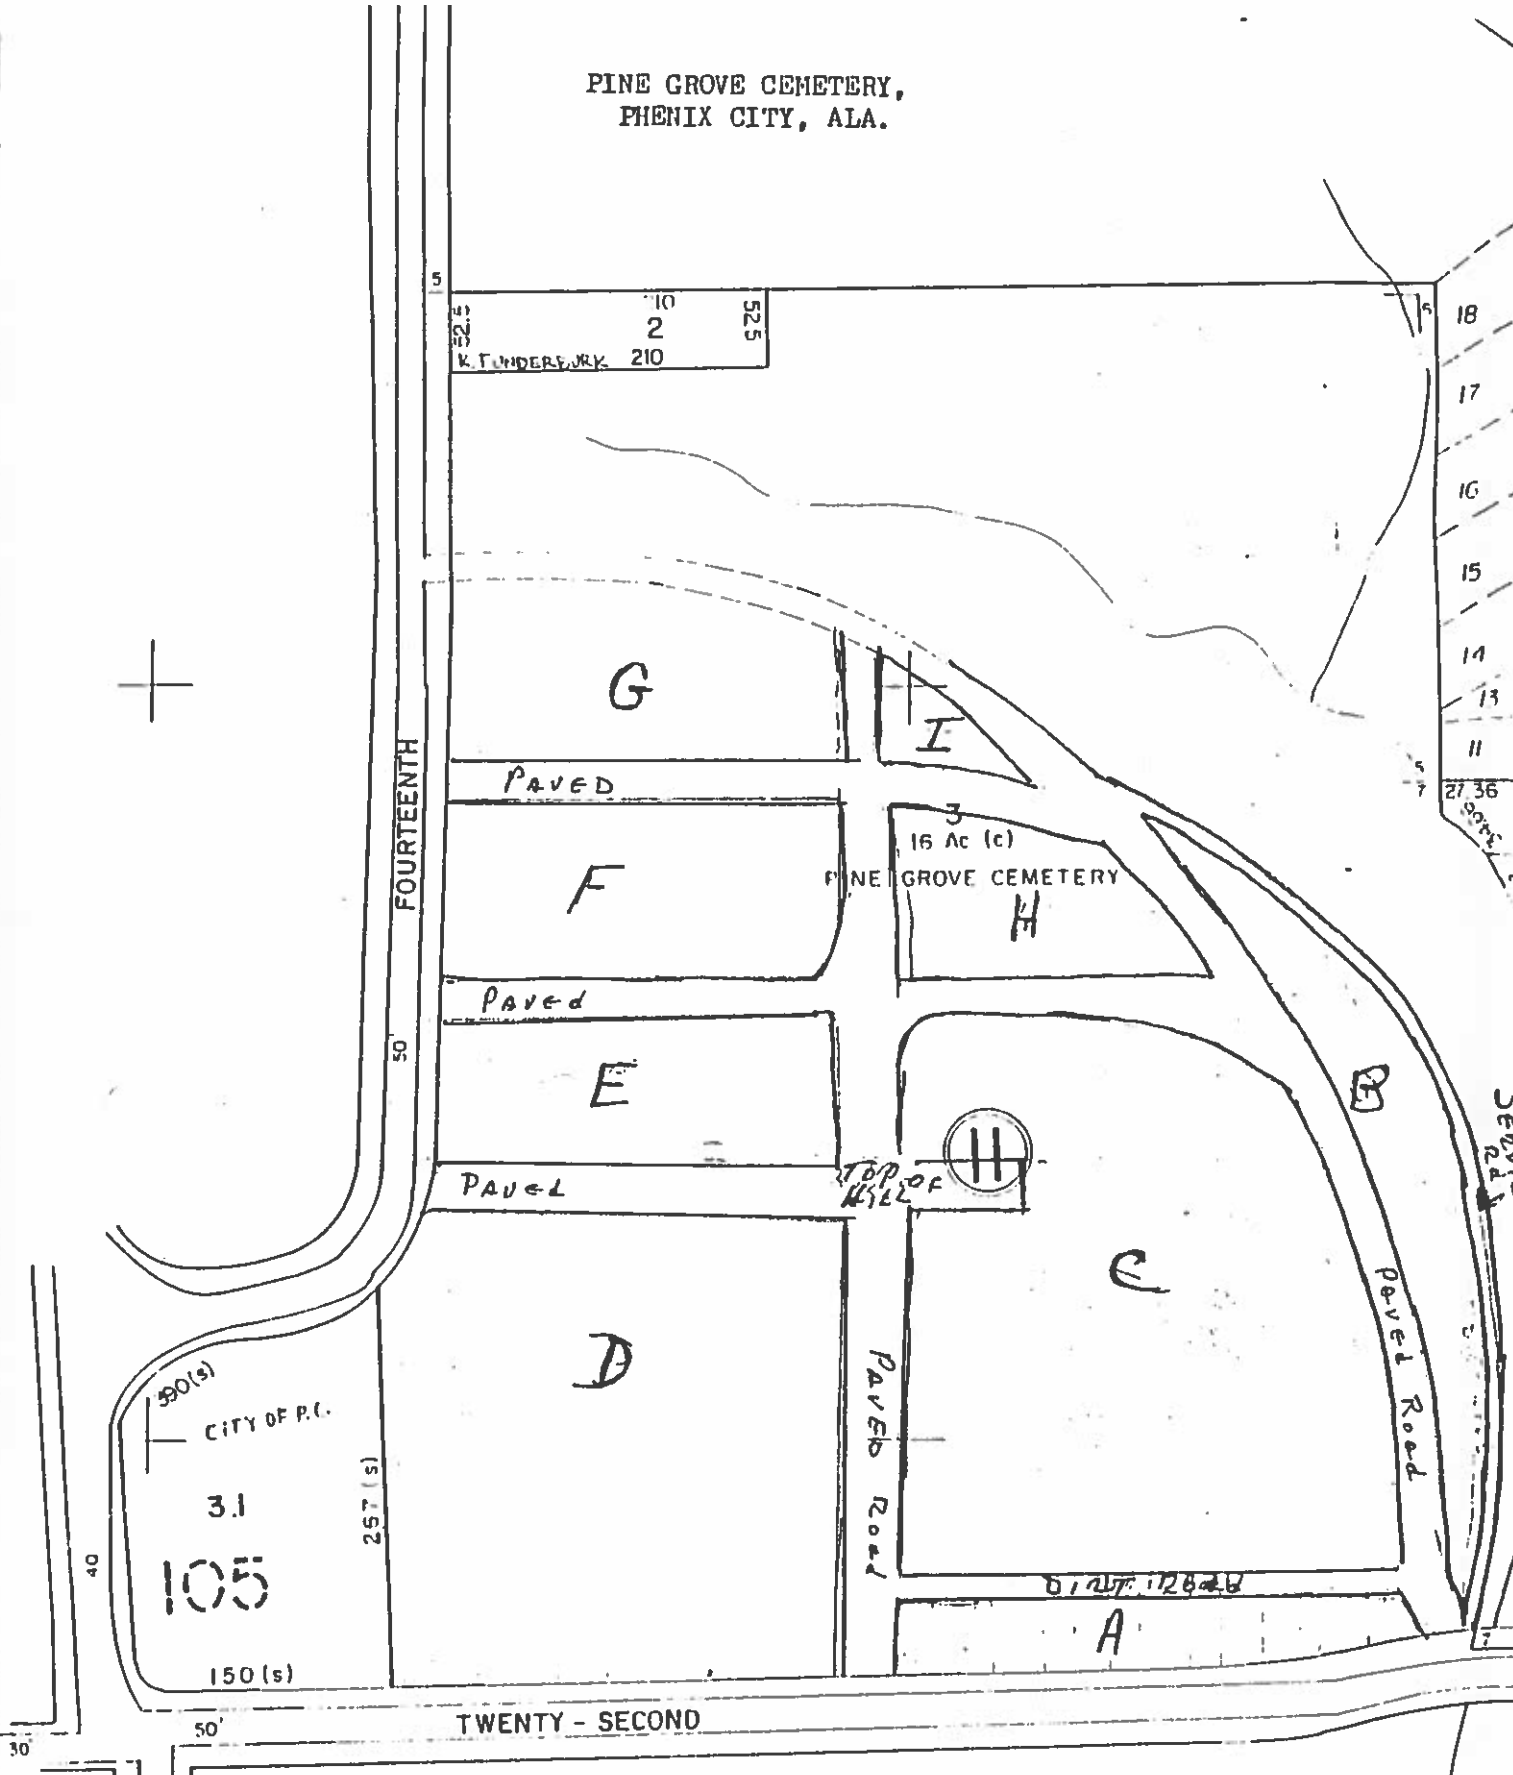

In the appendix are obituaries located after the compilation was typed and a copy of Mr. Gresham's journal.

A short history of Pine Grove was desired, but very little information can be located. In the History of Opelika, by Rev. Cherry, as it appeared in the Alabama Quarterly, Vol. 15, Nos. 2,3,4, he says, "Pine Grove first begun in 1881. The first burial was that of a child of Mr. Babe West. In 1881, Mr. John Baird set apart a lot of ground for a cemetery on his premises."

This compilation is dedicated to all the people buried at Pine Grove Cemetery, those known and unknown - for they are "GONE, BUT NOT FORGOTTEN."

R. L. SHAVER AUTO VICTIM

Phoenix Man Fatally In-
jured When Struck
Down by Car Driven
By W. B. Mims.

Struck down by an automobile on the Crawford road about six miles from Phoenix City, Robert Lee Shaver, 38, 1404 North Railroad street, Phoenix City, died at the city hospital Sunday afternoon at 1:45 o'clock, shortly after he had been rushed there for treatment.

Mr. Shaver was injured when an automobile driven by W. B. Mims, 840 Second street, Circuit section of Phoenix City, struck him after he had alighted from a car in which he was riding to Phoenix City from Montgomery.

While it was out of his jurisdiction, having occurred in Russell county, Chief of Police O. O. Day stated that his investigation into the tragedy revealed that it was an unavoidable accident. He had not conferred with Sheriff Ben Burch Jr. and did not know if the Russell officer planned to lodge any charges against Mr. Mims.

Mr. Mims stated that the car in which Mr. Shaver was riding stopped ahead of his automobile and that Mr. Shaver alighted and without warning stepped in the path of his automobile. He declared that he swerved over as far as possible in an effort to prevent striking Mr. Shaver, but did not succeed.

He picked Mr. Shaver up after the accident and rushed him to the hospital and summoned a physician. However, death came shortly afterward.

An examination showed that Mr. Shaver suffered a compound fracture of the right leg, a fractured and possibly other, head injuries.

Surviving Mr. Shaver are a wife, Mrs. M. P. Williams, 1404 North

Phenix City Mourns as Death Claims Cheerful Garrett Boston

Garrett Alva Boston, 92-year-old Phenix Citian whose cheerful disposition and flowing white mustache endeared him to hundreds here, died at 10:45 p.m. yesterday.

The spry cabinet maker who once refused a pension because he liked to work reported on his job daily until two months ago when illness forced him to remain home. He had worked for 59 years with the same firm.

GARRETT BOSTON

Mr. Boston died at the home of his daughter, Mrs. Doris E. Roberts Thirty-sixth street, Route one, Phenix City.

He celebrated his 91st birthday last Feb. 5 by reporting for work at the H. Rothschild, Inc. furniture store, where he had been employed as a cabinet maker since 1893, the year the store was founded.

Only recently, Mr. Boston had to curtail automobile trips to his rural birth place in Pendleton, Ky.

He was born Feb. 5, 1860. Mr. Boston had resided in Phenix City for 65 years. He was married in Phenix City in 1893 to Miss Aderbel Edwards whose old home place stood on the site of the present Phenix City postoffice.

Mr. Boston was a member of Woodmen of the World lodge, Wilson Williams Masonic lodge, and Trinity Methodist church of Phenix City.

In addition to his daughter, survivors include two sisters, Misses Dora and Ida Boston, both of Lexington, Ky.; two brothers, Henry S. Boston, Lexington, and John H. Boston, Nicholasville, Ky.

Funeral services will be held at 4:30 p.m. tomorrow at Trinity Methodist church. The Rev. R. J. Haskew, pastor, will officiate. Burial will be in Pine Grove cemetery and Masonic services will be held at the grave.

Palbearers will be Edwin Rothschild, Albert Mize, Albert Rumsey, H. A. Greenhaw, Harvey Kelly, Jim Stone.

SUICIDE THWARTED WHEN PISTOL SHOT TELLS OF ATTEMPT

N. A. Autrey, 73; Notifies
Neighbors Of Intended Act
By Firing A Gun And Po-
lice Man Goes To Aid

AGED MAN IS SAVED FROM POISON DEATH

Detective W. E. Putman, A
Short Distance Away, Hears
Pistol Report—Carries
Man To Hospital

The firing of a pistol to notify neigh-
bors of his rash act frustrated a sui-
cidal attempt last night at 11:30 o'clock
of N. A. Autrey, 73, of 18 Twenty-second
street. The aged man had taken
two tablespoons of Paris Green and
lay in a critical condition when Detec-
tive W. E. Putman, who was nearby,
hurried to the man's home and carried
Mr. Autrey to the city hospital.

Dependancy was designated as the mo-
tive of the man's action. For some time
he had lived alone. A month ago Mr.
Autrey told the policeman who saved
his life of his intention to commit sui-
cide. At the time the statement was
made, the man faced a charge of vio-
lating the prohibition law, the officer
said.

Detective Nearby

When the report of the pistol was
heard, Detective Putman was near the
corner of Twenty-third street and First
avenue. As he heard the report, he
saw the suffering man was in bed.

Reporting the report, the policeman
found Mr. Autrey lying in a bed on a bed
in front room. Asked if he had shot
himself, the aged man answered in the
negative. The officer was told to go
into the kitchen of the residence and
lock into a chain. In the rear of the house
Detective Putman found a one-fourth
pound box of Paris Green. Beside the
box lay a tablespoon.

Searching hurriedly, the officer said
he found a .38 calibre Smith and Wesson
pistol concealed under the bed on which
Mr. Autrey lay.

"There is just one thing you can do
for me," the aged man told the police-
man, "and that's notify my children."

Instead of complying with the request,
the detective summoned neighbors and
hurriedly carried the suffering man to
the officer's car and then to the hospi-
tal. Authorities at the institution ad-
ministered an antidote and Mr. Autrey
was soon apparently recovering.

Neighbors said the man had been
drinking frequently recently, and de-
pendant, had often spoken of taking
his life.

Mr. Autrey is employed at the Masco-
gee Manufacturing company.

Mr. Gresham was the caretaker for this cemetery and of Girard cemetery. As far as I can determine, his journal is the only record in Russell County showing the ownership of lots in Pine Grove. It is therefore included as a matter of record.
