City of Phenix City
Specifications for
Potassium Permanganate

I. General Terms and Conditions

1. Except as otherwise provided in this contract, the City of Phenix City shall order from the Contractor all Soda Ash required to be purchased by the City of Phenix City during the contract period. The vendor will be responsible to get a business license with the city.
2. It is estimated that 3,500 lbs. of Potassium Permanganate will be required in the operation of the Water Filtration Plant during the period April 1, 2017 – March 31, 2018. Exact quantities cannot now be determined, but estimates are given. Quantities listed may be increased or decreased to meet the requirements of the City of Phenix City during the contract period. A minimum is not guaranteed.
3. A purchase order for the period of April 1, 2017 – March 31, 2018 inclusive will be awarded as a result of this invitation for bid. Prices quoted shall remain firm for the entire term of the contract.
4. Deliveries are to be made to the City of Phenix City Water Filtration Plant within 5 days following request for each delivery. Deliveries will be accepted only between the hours of 8:00 a.m. through 2:00 p.m. Eastern Time, Monday through Friday (No Exceptions).
5. The City of Phenix City reserves the right to purchase Potassium Permanganate from another source if successful bidder is unable to deliver within the specified delivery time.
6. The Potassium Permanganate must **be bid in lbs.** dry weight.
7. The Contract may be canceled by either party with 30 days written notice for failure to comply with the provisions of this contract.

8. Bids will be considered only from manufacturers or their authorized distributors. The authorized distributors must regularly maintain a substantial stock of the bid upon and must be actively engaged in the sale of Potassium Permanganate. Such stock and facilities may be examined by a representative of the City of Phenix City at any time either before award is made or during the life of the contract.
9. The City of Phenix City reserves the right to reject any and all bids or portions of bids, waive formalities and to make such award of contract as may be deemed to be the best advantage of the City. No bids may be withdrawn within thirty (30) days after date of opening.
10. Any required deposits, or other special fees shall be noted on the proposal.
11. The contractor will provide documentation on its driver training program developed to ensure they fully understand the safety and health hazards of hazardous substances they are delivering and the handling equipment they operate in order to protect themselves, the city's staff, citizens living near the facility, and the environment.

Material Safety Data Sheets: The supplier shall furnish Material Safety Data Sheets for the specified Potassium Permanganate immediately upon the first delivery. The MSDS shall be updated as required by law or if warranted by any manufacturer or product change.

II. Specifications for Potassium Permanganate

1. Bid must be in compliance with AWWA B608-88, Standard for Potassium Permanganate.
2. Bidder must include with the bid submitted an Affidavit stating that the Soda Ash furnished under this contract complies with all applicable standards and requirements of AWWA B608-88, Standard for Potassium Permanganate.
3. Product is to be supplied in 50 lb. pails, not in bags. The city Of Phenix City reserves the right to reject any and all containers deemed damaged.

III. Insurance Requirements

The Supplier will be required to furnish the City with the following insurance policies prior to final award of contract:

Workman's Comp. Statutory Limits

General Liability	\$500,000 /bodily injury
	\$100,000 /property damage
	\$250,000 /each person
