MEDIA RELEASE

09/20/2017

The members of the Mayor's Ball for Education and Charity Committee invite you to attend a Press Conference at 6:00 p.m., EST, Thursday, September 21, 2017 at the Max Wilkes Fellowship Hall in the Martin-Idle Hour Park Community Center.

The Committee members are excited to announce the news of another partnership that will again promote the youth of our great city.

This collaboration is another demonstration of this community's commitment to the students of Central High School and Glenwood School and of how we actively pursue every opportunity to help promote and provide for our students.

Collectively, we are setting positive examples for these young people in each action we take to help them secure a sound future for themselves. We are ensuring the Positive Aspects of Phenix City will keep perpetuating themselves.

It is our goal to continue to focus on the many Positives Phenix City has to offer. What better place to focus than our youth.
