*Be It Enacted by the Legislature of Alabama:*

Article I. Adoption of Council-Manager Form of Government—Election and Term of Council.

1.01 Cities to which Act applies.—Any city in the State of Alabama, which has a population of not less than 23,000 nor more than 27,000 inhabitants according to the 1970 or any subsequent federal decennial census, may adopt the council-manager form of government by proceeding in the manner hereafter in this Act provided.

1.02. Petition for election.—The filing of a petition signed by ten percent (10%) or more of the number of qualified voters who voted in the last city general election held in such city, asking that the question of the adoption of the council-manager

form of government for such city be submitted to the qualified voters thereof, with the judge of probate of the county in which such city is located, shall mandatorily require an election to be held as herein provided. Whenever such a petition purporting to be signed by at least ten percent (10%) of the number of qualified voters who voted in the last city general election held in such city shall be presented to such judge of probate, he shall examine such petition and determine whether or not the same is signed by at least ten percent (10%) of the number of qualified voters who voted in the last city general election held in such city, and if such petition is signed by the requisite number of voters to require such an election, he shall within fifteen days from the receipt of such petition certify such fact to the mayor or other chief executive officer of the city for which such election is so petitioned, and the certificate of the judge of probate as to the sufficiency of said petition shall be final.

1.03. Call of election by mayor.—The mayor or other chief executive officer of such city shall immediately upon receipt of such certificate from the probate judge, by proclamation, submit the question of the adoption of the council-manager form of government for such city, under this Act, at a special election to be held at a time specified in such proclamation, not less than forty days and not more than sixty days after the receipt of said certificate from said probate judge, unless a general or regular election is to be held within 90 days after receipt of such certificate, in which event the special election herein provided for shall be held at the same time as such general or regular election. Should the election not be called by proclamation within 10 days after receipt of his certificate, the judge of probate shall call such election by order at a time specified therein but not less than 40 days and not more than 60 days after the receipt by said mayor or other chief executive officer of the said certificate of the probate judge, unless a general or regular election is to be held within 90 days after receipt of such certificate, in which event the special election herein provided for shall be held at the same time as such general or regular election.

1.04. Second election not called within four years.—If the council-manager form of government is not adopted at the special election so called, the question of adopting such form of government shall not be resubmitted to the voters of such city for adoption within four years thereafter, and then the question of adopting said form of government may be resubmitted in the manner above provided.

1.05. Question submitted; form of ballot.—At such election the question to be submitted shall be printed in plain prominent type on separate ballots and shall read as follows:

"Shall the council-manager form of government, as provided by the City Manager Act of 1977 be adopted for the City of \_\_\_\_\_?"

"Yes \_\_\_\_\_."

"No \_\_\_\_\_"

The voter shall mark his ballot with a cross mark before or after the word which expresses his choice. No other question shall be submitted to the voters of such city upon this ballot. If voting machines are used at any voting place in such election, the above question may at the discretion of the election commission of the city or other body having charge of the conduct of municipal elections in such city, be submitted as a separate question on voting machines so used.

1.06. Conduct, canvassing and declaration of result of election.—The election thereupon shall be conducted, the vote canvassed and the result declared in the same manner as provided by law in respect to other city elections. If the majority of the votes shall be "yes" or in favor of such question, the provisions of this article shall thereby be adopted for such city, and the mayor shall within 5 days of the election transmit to the Governor, to the secretary of state, and to the judge of probate of the county in which the city is located, each, a certificate of adoption stating that such question was adopted by such city.

1.07. Election of first council; term of office.—Within five days of the date of his receipt of the certificate of adoption the probate judge with whom the certificate was filed shall call an election to be held on the first Tuesday in September after the first full month of July following the adoption of this Act. The expenses of this election shall be paid by the city. Before calling such election the probate judge shall cause the city to be divided into three (3) districts containing as nearly equal number of people as possible. Candidates shall qualify in the manner prescribed in Section 3.02 hereof and shall have the qualifications and eligibility set forth in Sections 3.03 and 3.04 hereof. Each candidate shall announce if he is to become a candidate for Mayor, or Councilman-at-large, or if he desires to become a candidate for one of three district posts, either District Post 1, District Post 2 or District Post 3. A candidate for a district post shall reside in his district. Each voter in the election may cast one vote for a candidate for Mayor and one vote for Councilman-at-Large and one vote for a candidate from the district in which he resides. Any candidate receiving a majority of the total votes cast for candidates for Mayor, Councilman-at-Large, District Post 1, District Post 2 and District Post 3 shall be elected as the councilman from his post. In the

event no candidate received such a majority in the said election, there shall be a run-off election to be held two weeks after the first election. In the run-off election only those two candidates from each post who received the largest vote in the first election shall be eligible in the run-off election, and only these two shall have their names placed on the ballot for the run-off election. Any candidate receiving a majority of the total votes cast in the run-off election shall be elected councilman from his post. The councilmen so elected shall take office on the first Monday in October following the election. Each councilman shall hold office for three years, but shall serve until his successor shall have qualified. A councilman may succeed himself in office.

1.08. The Council.—The councilmen provided for in this article shall be known collectively as the Council of the City of \_\_\_\_\_ (Name of said city to be inserted) and shall have the powers and duties hereinafter provided. The Council first elected shall qualify and take office in the manner hereinafter prescribed on the first Monday in October following the date when the election of all councilmen is completed, and thereupon such city shall be and become organized under the council-manager form of government provided under this Act, and shall thereafter be governed by the provisions of this Act.

#### Article II. Legal Status: Form of Government: Powers.

2.01. Legal Status.—Any municipal corporation which adopts the council-manager form of government shall continue its existence as a body corporate without change in the name of the municipal corporation. The word "City" as hereinafter used shall mean and refer to any municipal corporation which has adopted the council-manager form of government. The City shall continue as a municipal corporation, within the corporate limits as then established, and as thereafter fixed in the manner prescribed by law, subject to all the duties and obligations then pertaining to or incumbent upon it as a municipal corporation and shall continue to enjoy all the rights, immunities, powers and franchises then enjoyed by it, as well as those that may thereafter be granted to it.

2.02. Form of Government.—The municipal government of any such city proceeding under this Act shall be known as the "council-manager form of government." Pursuant to the provisions and limitations of this Act and subject to the limitations imposed by the Constitution of Alabama and its laws, all powers of the City shall be vested in the council elected as herein provided and hereinafter referred to as "the council." All powers of the City shall be exercised in the manner prescribed by this Act, or if the manner be not prescribed, then in

such manner as may be prescribed by law or by ordinance.

2.03. Powers of City.—The City shall have all the powers granted to municipal corporations and to cities by the constitution and laws of this state together with all the implied powers necessary to carry into execution all the powers granted. The City may acquire property within or without its corporate limits for any city purpose, in fee simple or any lesser interest or estate, by purchase, gift, devise, lease or condemnation, and may sell, lease, mortgage, hold, manage and control such property as its interest may require; and, except as prohibited by the constitution and laws of this state or restricted by this Act, the City shall and may exercise all municipal powers, functions, rights, privileges and immunities of every name and nature whatsoever. The enumeration of particular powers by this Act shall not be deemed to be exclusive, and in addition to the powers enumerated herein or implied thereby, or appropriate to the exercise of such powers, it is intended that the City shall have and may exercise all powers which, under the constitution of this state, it would be competent for this Act specifically to enumerate.

### Article III. The Council.

3.01. Number, election, term.—The council shall have five members with two elected at-large by all of the voters of the city and three elected from districts by voters within each district, the council elected in the manner prescribed in Section 1.07 of this Act. An election of councilmen shall be held on the first Tuesday in September every three years. Each councilman shall hold office for three years, but shall serve until his successor shall have qualified. A councilman may succeed himself in office. Each of the three district councilmen shall reside within the limits of his district during the term of his office and if any district councilman shall remove from within the limits of his district for 60 consecutive days his office shall become vacant.

3.02. Statement of candidacy.—Any person desiring to become a candidate at any election for the office of councilman may become such candidate by filing in the office of the judge of probate of the county in which such city is situated, a statement in writing of such candidacy, accompanied by an affidavit taken and certified by such judge of probate or by a notary public that such person is duly qualified to hold the office for which he desires to be a candidate. In the case of a candidate for a district post, sponsors may but need not reside within the district in which the candidate resides. No elector shall sign more than one such petition, and should an elector do so, he shall be guilty of a misdemeanor. With each signature shall be stated the place of address of each sponsor. We further state that we know said \_\_\_\_\_ to possess the qualifications necessary for said office, and to be in our judgment a fit and proper person to hold said office. Witness our hands on this the \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_."

§.02. (a). Campaign expenses.—Each candidate shall file with the probate judge, within 10 days after the election in which he has been a candidate, an accounting of all campaign contributions and expenditures exceeding \$10 and shall comply

with provisions in existing law which require the filing of campaign contributions and expenses.

3.03. Ballot.—At every such election all ballots to be used by voters shall be printed and prepared by the election commission or other body having charge of the conduct of municipal elections in said City, and shall contain the names of all candidates for each Post directly underneath the words "For members of the council from Post ———." No name shall appear upon said ballot as a candidate for election except the names of such persons as have become candidates according to provisions as above set forth; no ballot shall be used at any such election except the official ballot prepared by the election commission or other body having charge of the conduct of municipal elections in said city, except that the names of candidates may be suitably placed on voting machines if such machines are used to conduct such election.

3.04. Eligibility.—Councilmen shall be qualified electors of the city, and shall hold no other public office except that of notary public or member of the national guard or naval or military reserve. If the councilman shall cease to possess any of these qualifications or shall be convicted of crime involving moral turpitude, his office shall immediately become vacant.

3.05. Compensation.—The mayor shall receive as compensation for his services the sum of Three Hundred Dollars per month, provided that the total does not exceed Three Thousand Six Hundred Dollars per annum. Each councilman shall receive as compensation for his services the sum of Two Hundred Fifty Dollars per month, provided that the total does not exceed Three Thousand Dollars per annum. The mayor and councilmen may be reimbursed for actual expenses incurred in and about the performance of their duties, only if such expenses are approved by the council at a regular meeting. No salary increase may be made effective except at the beginning of a new term.

3.06. Presiding officer; mayor.—The mayor shall preside at meetings of the council, and shall be recognized as head of the city government for all ceremonial purposes and by the governor for purposes of military law, but shall have no regular administrative duties. The council shall elect from its membership at the first regular meeting a mayor pro-tem who shall act as mayor during the absence or disability of the mayor. The mayor and mayor pro-tem when so elected shall hold their respective offices until the next council takes office; provided that if the mayor or mayor pro-tem or both shall cease to be a member of the council his or their offices as such mayor or mayor pro-tem shall become vacant. If the mayor's post is

vacated with less than 12 months remaining in the term, the mayor pro-tem will fill the unexpired term of the mayor. If the mayor's post is vacated with 12 months or more remaining in the term, a special election will be called, in accordance with provisions for special elections. The probate judge shall call said special election within 45 days and no more than 60 days after certification of the vacancy by the council.

3.07. Powers.—All powers of the City, including all powers vested in it by this Act, by the laws, general and local, of the state, and by Title 62 of the Code of Alabama of 1940, as amended, and the determination of all matters of policy, shall be vested in the council. Without limitation of the foregoing, the council shall have power to:

- (a) Appoint and remove the city manager.
- (b) Establish other administrative departments and distribute the work of divisions.
- (c) Adopt the budget of the city.
- (d) Authorize the issuance of bonds or warrants.
- (e) Inquire into the conduct of any office, board, department or agency of the City and make investigations as to municipal affairs.
- (f) Appoint the members of all boards, commissions or other bodies authorized hereunder or by law. This provision for appointment of members of boards, commissions or other bodies authorized hereunder or by law shall supersede any different provision for appointment of such members contained in any statute or ordinance in effect at the time of adoption by the city of the council-manager form of government set up by this act, and shall include power to remove any member of any board, commission or body to the same extent as might be done by the governing body of the city at the time of adoption by the city of the council-manager form of government set up by this act and to appoint another in his stead. And wherever in any statute in effect at the time of adoption by the city of said council-manager form of government the chief executive officer of the city is designated to act in any capacity ex-officio, the mayor shall act.

3.08. Appointment of city manager.—The council by a majority vote of the whole qualified membership of the council shall appoint a city manager, who shall be an officer of the City and shall have the powers and perform the duties in this Act provided. No councilman shall receive such appointment during the term for which he shall have been elected, nor within one year after the expiration of his term; nor shall he receive

any appointment as city manager under the provisions of Section 4.03 of this Act during the term for which he shall have been elected. The civil service act, if any, applicable to the City shall not apply to the approval or the removal of the city manager.

A temporary, acting city manager may be designated by the council to serve for not more than four (4) months in these events but in only these events:

(a) When the first council shall take office after adoption of this Act by the City.

(b) Following the removal of any permanent city manager.

Such temporary acting city manager shall perform the duties and assume the obligations of the office of city manager but he may be removed summarily by the council at any time. If the council shall permit the temporary acting city manager to serve for longer than four (4) months he shall become the permanent city manager and shall be entitled to all benefits granted the permanent city manager.

3.09. Removal of city manager.—The council shall appoint the city manager for an indefinite term, but the council may remove him at any time by a majority vote of the whole qualified membership of the council.

3.10. Council not to interfere in appointments or removals.—Neither the council nor any of its members shall direct or request the appointment of any person to, or his removal from, office by the city manager or by any of his subordinates, or in any manner take part in the appointment or removal of officers and employees in the administrative service of the City. Except for the purpose of inquiry, the council and its members shall deal with the administrative service solely through the city manager and neither the council nor any member thereof shall give orders to any subordinates of the city manager; either publicly or privately.

3.11. Vacancies in Council other than in the position of mayor.—Vacancies in the council shall be filled by the council at any regular meeting within four weeks after the vacancy occurs. In event of a deadlock and for the purpose of breaking the deadlock, the Mayor shall cast an additional vote. For the purposes of this section a deadlock shall be deemed to exist when, at the end of the third regular meeting of the Council following the creation of a vacancy the council shall not have selected a person to fill the vacancy. The person selected to fill a vacancy shall possess all of the qualifications set out in this Act including residence in the district he represents, and he shall hold office until the next election of councilman.

3.12. Creation of new departments or offices; change of duties.—The council by ordinance may create, change, and abolish offices, departments, boards or agencies, other than the offices, departments, boards or agencies established by this Act. The council by ordinance may assign additional functions or duties to offices, departments, boards or agencies established by this Act, but may not discontinue or assign to any other office, department, board or agency, any function or duty assigned by this Act to a particular office, department, board or agency.

3.13. City Clerk.—If the city clerk of any City which adopts the council-manager form of government holds office subject to any civil service or merit system, such clerk shall continue to be the city clerk under the council-manager form of government of such City, and his successor shall be selected and hold office subject to the provisions of such civil service or merit system. If the city clerk of any city which adopts the council-manager form of government does not hold office subject to any civil service or merit system, the council shall elect the city clerk. The city clerk shall give notice of meetings of the council, shall keep the journal of its proceedings, which shall be authenticated by his signature. He shall record in full in said journal all ordinances and resolutions and the minutes of all the meetings of the council. He shall also record in said journal any written certificates or declarations received by the council under the provisions of Section 5.22 and 5.24 hereof. He shall perform such other duties as shall be required by this Act or by ordinance, and such duties as are imposed by general law of Alabama upon city clerks and as to which other provisions are not made in this Act. He shall keep the journal open for public inspection at all reasonable times.

3.14. Induction of council into office; meetings of council.—The first meeting of each newly elected council for induction into office shall be held at ten o'clock in the morning on the first Monday in October next following its election, after which the council shall meet regularly at such times as may be prescribed by its rules, but not less frequently than once each month. All meetings of the council shall be open to the public.

3.15. Council to be judge of qualifications of its members.—The council shall be the judge of the election and qualifications of its members and for the purpose of investigating such election and qualifications shall have power to subpoena witnesses and require the production of records, but the decision of the council in any such case shall be subject to review by the courts.

3.16. Rules of procedure.—The council shall determine its own rules and order of business.

3.17. Meetings, passage of ordinances, etc.—The council shall hold regular public meetings as may be prescribed by its own rules, provided that a regular hour and day shall be fixed by the order of said council, and publicly announced. It may hold such adjourned, called, special or other meetings as the business of the City may require. The mayor when present and in his absence the mayor pro-tem shall preside at all meetings of said council. A majority of the whole qualified membership of the council shall constitute a quorum for the transaction of any and every power conferred upon said council. The affirmative vote of a majority of the quorum shall be necessary and sufficient for the passage of any resolution, rule or ordinance, or the transaction of any business of any sort by the said council or the exercise of any of the powers conferred upon it by the terms of this Act or which may hereafter be conferred upon it. No resolution or ordinance granting any franchise, appropriating any money for any purpose, providing for any public improvements, any regulation concerning the public health, or of any other general or permanent nature shall be enacted except at a regular public meeting of said council or an adjournment thereof; provided that a resolution or ordinance of any emergency nature may be passed by the council at any meeting. A resolution or ordinance shall be deemed to be of any emergency nature if it shall be declared so to be by an affirmative vote of not less than four-fifths of the whole qualified membership of the council. Every ordinance introduced shall be in writing and read before any vote thereon shall be taken, and the yeas and nays thereon shall be recorded. A record of the proceedings of every meeting of the council shall be taken and prepared by the city clerk, and the record of the proceedings of the meeting shall, when approved by the council, be signed by the mayor and the city clerk and entered in the journal. The journal shall be kept available for inspection by all persons at all reasonable times. No ordinance of permanent operation shall be passed at the meeting at which it was introduced except by unanimous consent of all members of the council present, and such unanimous consent shall be shown by the aye and nay votes entered upon the minutes of said meeting; provided, however, that if all members of the council present vote for the passage of the ordinance and their names are so entered of record as voting in favor thereof, it shall be construed as giving unanimous consent to the action upon such ordinance at the meeting at which it is introduced. Publication of ordinances shall be had as provided in Alabama Code of 1940, Title 37, Section 462, as amended.

3.18. Granting of franchises.—No resolution or ordinance, granting to any person, firm or corporation any franchise, lease

or right to use the streets, public highways, thoroughfares, or public property of the City, either in, under, upon, along, through, or over same shall take effect and be enforced until thirty days after the final enactment of same by the council and publication of said resolution or ordinance in full once a week for three consecutive weeks in some newspaper published in said City, which publication shall be made at the expense of the persons, firm or corporation applying for said grant. Pending the passage of any such resolution or ordinance or during the time intervening between its final passage, and the expiration of the thirty days during which publication shall be made as above provided, the legally qualified voters of said City may, by written petition or petitions addressed to said council object to such grant; and if during such period such written petition or petitions signed by at least five percent (5%) of the legally qualified voters of the City shall be filed with said council, said council shall forthwith order an election, which shall be conducted by the election commission of the City or other body having charge of the conduct of municipal elections of the City at which election the legally qualified voters of said City shall vote for or against the proposed grant. In the call for said election, the said resolution or ordinance making such grant shall be published one time at length and in full at the expense of the City in a newspaper published in said City. If a majority of the votes cast at such election shall be against the proposed grant, then and in those events, said resolution or ordinance shall not become effective nor shall it confer any rights, powers or privileges of any kind; otherwise, said resolution or ordinance and said grant shall thereupon become effective as fully and to the same extent as if said election had not been called or held. If, as the result of said election, said resolution or ordinance shall be disapproved, then it shall be deemed null and void. But if as a result of said election the proposed grant shall be approved, the council shall adopt a resolution stating the fact of such approval, and such resolution shall, without further proceedings or advertisement, operate as the adoption of the proposed grant. No grant of any franchise or lease or right of user, or any other right in, under, upon, along, through, or over the streets, public highways, thoroughfares or public property of any such City, shall be made or given nor shall any such rights of any kind whatever be conferred upon any person, firm or corporation, except by a resolution or ordinance duly passed by the council at some regular or adjourned meeting and published as above provided for in this section; nor shall any extension or enlargement of any such rights or powers previously granted be made or given except in the manner and subject to all conditions herein provided for as to the original grant of same. It is expressly provided, however, that the provisions of

this section shall not apply to the grant of side track or switching privileges to any railroad or street car company for the purpose of reaching and affording railway connections, and switching privileges to the owners or users of any industrial plant, store or warehouse; provided further that said side track or switch shall not extend for a greater distance than one thousand, three hundred twenty feet, measured along said track or switch.

3.19. Codification authorized.—The council may provide for the revision and codification of its ordinances and permanent resolutions, or for the adoption of a code or codes.

3.20. Examination of books and publication of accounts.—The council shall each month make available in the office of the city manager a detailed statement of all receipts and expenses of the City, and a summary of its proceedings during the preceding month. At the end of each year, the council shall cause a full and complete examination of all the books and accounts of the City to be made by a qualified public accountant, and shall cause the result of such examination to be placed in the office of the city clerk and the office of the city manager, to be open for inspection by all persons. Such examination shall not be made more than two years in succession by the same accountant or firm.

#### Article IV. The City Manager.

4.01. The city manager; qualifications.—The city manager shall be chosen by the council solely on the basis of his executive and administrative qualifications with special reference to his actual experience in, or his knowledge of, accepted practice in respect to the duties of his office as hereinafter set forth. At the time of his appointment, he may but need not be a resident of the City or state, but during his tenure of office he shall reside within the City.

4.02. The city manager; powers and duties.—The city manager shall be the head of the administrative branch of the city government. ### AN ACT

To permit any city in the State of Alabama having a population of not less than 23,000 nor more than 27,000 inhabitants according to the 1970 or any subsequent federal decennial census to adopt the council-manager form of municipal government, to provide for the calling and holding of elections to vote thereon, to provide for the election and term of the first council, to define the legal status, form of government and powers of the city, to provide for subsequent elections of members of the council, their number and their terms of office, to provide for the qualification, powers and authority of the council, the mayor and the city clerk, and for the election of the mayor and city clerk, to provide for the appointment and removal and to define the powers of the city manager, to provide for an annual budget, its preparation, submission, adoption and effect, to create and define the powers and duties of a department of finance and of the director thereof, to regulate purchases and contracts of the city, and to define their powers and authority, to set up the terms and effects of succession in government of any city adopting the council-manager form of government, to provide for the establishment and re-establishment of districts, to make various other provisions for such form of government of any such city, and to provide for the means of abandoning the council-manager form of government.

Be It Enacted by the Legislature of Alabama:

#### **Article I. Adoption of Council-Manager Form of Government—Election and Term of Council**

##### **1.01. Cities to which act applies.**

Any city in the State of Alabama, which has a population of not less than 23,000 nor more than 27,000 inhabitants according to the 1970 or any subsequent federal decennial census, may adopt the council-manager form of government by proceeding in the manner hereafter in this act provided.

##### **1.02. Petition for election.**

The filing of a petition signed by ten percent or more of the number of qualified voters who voted in the last city general election held in such city, asking that the question of the adoption of the council-manager form of government for such city be submitted to the qualified voters thereof, with the judge of probate of the county in which such city is located, shall mandatorily require an election to be held as herein provided. Whenever such a petition purporting to be signed by at least ten percent of the number of qualified voters who voted in the last city general election held in such city shall be presented to such judge of probate, he shall examine such petition and determine whether or not the same is signed by at least ten percent of the number of qualified voters who voted in the last city general election held in such city, and if such petition is signed by the requisite number of voters to require such an election, he shall

within 15 days from the receipt of such petition certify such fact to the mayor or other chief executive officer of the city for which such election is so petitioned, and the certificate of the judge of probate as to the sufficiency of said petition shall be final.

**1.03. Call of election by mayor.**

The mayor or other chief executive officer of such city shall immediately upon receipt of such certificate from the probate judge, by proclamation, submit the question of the adoption of the council-manager form of government for such city, under this act, at a special election to be held at a time specified in such proclamation, not less than 40 days and not more than 60 days after the receipt of said certificate from said probate judge, unless a general or regular election is to be held within 90 days after receipt of such certificate, in which event the special election herein provided for shall be held at the same time as such general or regular election. Should the election not be called by proclamation within ten days after receipt of his certificate, the judge of probate shall call such election by order at a time specified therein but not less than 40 days and not more than 60 days after the receipt by said mayor or other chief executive officer of the said certificate of the probate judge, unless a general or regular election is to be held within 90 days after receipt of such certificate, in which event the special election herein provided for shall be held at the same time as such general or regular election.

**1.04. Second election not called within four years.**

If the council-manager form of government is not adopted at the special election so called, the question of adopting such form of government shall not be resubmitted to the voters of such city for adoption within four years thereafter, and then the question of adopting said form of government may be resubmitted in the manner above provided.

**1.05. Question submitted: form of ballot.**

At such election the question to be submitted shall be printed in plain prominent type on separate ballots and shall read as follows: "Shall the council-manager form of government, as provided by the city manager Act of 1977 be adopted for the City of \_\_\_\_\_."

"Yes \_\_\_\_\_"

"No \_\_\_\_\_"

The voter shall mark his ballot with a cross mark before or after the word which expresses his choice. No other question shall be submitted to the voters of such city upon this ballot. If voting machines are used at any voting place in such election, the above question may at the discretion of the election commission of the city or other body having charge of the conduct of municipal elections in such city, be submitted as a separate question on voting machines so used.

**1.06. Conduct, canvassing and declaration of result of election.**

The election thereupon shall be conducted, the vote canvassed and the result declared in the same manner as provided by law in respect to other city elections. If the majority of the votes

shall be "yes" or in favor of such question, the provisions of this article shall thereby be adopted for such city, and the mayor shall within five days of the election transmit to the governor, to the secretary of state, and to the judge of probate of the county in which the city is located, each, a certificate of adoption stating that such question was adopted by such city.

**1.07. Election of first council: term of office.**

Within five days of the date of his receipt of the certificate of adoption the probate judge with whom the certificate was filed shall call an election to be held on the first Tuesday in September after the first full month of July following the adoption of this act. The expenses of this election shall be paid by the city. Before calling such election the probate judge shall cause the city to be divided into three districts containing as nearly equal number of people as possible. Candidates shall qualify in the manner prescribed in Section 3.02 hereof and shall have the qualifications and eligibility set forth in Sections 3.03 and 3.04 hereof. Each candidate shall announce if he is to become a candidate for mayor, or councilman-at-large, or if he desires to become a candidate for one of three district posts, either District Post 1, District Post 2 or District Post 3. A candidate for a district post shall reside in his district. Each voter in the election may cast one vote for a candidate for mayor and one vote for councilman-at-large and one vote for a candidate from the district in which he resides. Any candidate receiving a majority of the total votes cast for candidates for mayor, councilman-at-large, District Post 1, District Post 2 and District Post 3 shall be elected as the councilman from his post. In the event no candidate received such a majority in the said election, there shall be a run-off election to be held two weeks after the first election. In the run-off election only those two candidates from each post who received the largest vote in the first election shall be eligible in the run-off election, and only these two shall have their names placed on the ballot for the run-off election. Any candidate receiving a majority of the total votes cast in the run-off election shall be elected councilman from his post. The councilmen so elected shall take office on the first Monday in October following the election. Each councilman shall hold office for three years, but shall serve until his successor shall have qualified. A councilman may succeed himself in office.

**1.08. The council.**

The councilman provided for in this article shall be known collectively as the council of the city of \_\_\_\_\_ (Name of said city to be inserted) and shall have the powers and duties hereinafter provided. The council first elected shall qualify and take office in the manner hereinafter prescribed on the first Monday in October following the date when the election of all councilmen is completed, and thereupon such city shall be and become organized under the council-manager form of government provided under this act, and shall thereafter be governed by the provisions of this act.

**Article II. Legal Status: Form of Government: Powers**

**2.01. Legal status.**

Any municipal corporation which adopts the council-manager form of government shall continue its existence as a body corporate without change in the name of the municipal

corporation. The word "city" as hereinafter used shall mean and refer to any municipal corporation which has adopted the council-manager form of government. The city shall continue as a municipal corporation, within the corporate limits as then established, and as thereafter fixed in the manner prescribed by law, subject to all the duties and obligations then pertaining to or incumbent upon it as a municipal corporation and shall continue to enjoy all the rights, immunities, powers and franchises then enjoyed by it, as well as those that may thereafter be granted to it.

### **2.02. Form of government.**

The municipal government of any such city proceeding under this act shall be known as the "council-manager form of government." Pursuant to the provisions and limitations of this act and subject to the limitations imposed by the Constitution of Alabama and its laws, all powers of the city shall be vested in the council elected as herein provided and hereinafter referred to as "the council." All powers of the city shall be exercised in the manner prescribed by this act, or if the manner be not prescribed, then in such manner as may be prescribed by law or by ordinance.

### **2.03. Powers of city.**

The city shall have all the powers granted to municipal corporations and to cities by the constitution and laws of this state together with all the implied powers necessary to carry into execution all the powers granted. The city may acquire property within or without its corporate limits for any city purpose, in fee simple or any lesser interest or estate, by purchase, gift, devise, lease or condemnation, and may sell, lease, mortgage, hold, manage and control such property as its interest may require; and, except as prohibited by the constitution and laws of this state or restricted by this act, the city shall and may exercise all municipal powers, functions, rights, privileges and immunities of every name and nature whatsoever. The enumeration of particular powers by this act shall not be deemed to be exclusive, and in addition to the powers enumerated herein or implied thereby, or appropriate to the exercise of such powers, it is intended that the city shall have and may exercise all powers which, under the constitution of this state, it would be competent for this act specifically to enumerate.

## **Article III. The Council**

### **3.01. Number, election, term.**

The council in the municipality shall have five members with two elected at-large by all of the voters of the municipality and three elected from districts by voters within each district, the council elected in the manner prescribed in Section 1.07 of Act 71. The regular municipal elections in the municipality shall be held on the first Tuesday in September, 2001, and each three years thereafter, and when necessary, a second or runoff election shall be held on the third Tuesday next thereafter following the regular election. Each council member shall hold office for three years, but shall serve until his or her successor shall have qualified. Beginning in 2004, the regular municipal elections in the municipality shall be held on the first Tuesday

in September, 2004, and each four years thereafter, and when necessary, a second or runoff election shall be held on the third Tuesday next thereafter following said regular election. Each council member shall hold office for four years beginning with the election of 2004, but shall serve until his or her successor shall have qualified. A council member may succeed himself or herself in office. Each of the three district council members shall reside within the limits of his or her district during the term of his or her office and if any district council member shall remove from within the limits of his or her district for 60 consecutive days his or her office shall become vacant.

(Act No.1989-832, § 1; Act No. 2000-641, § 2)

**6.16. No contract executed until bond ordinance effective.**

No contract shall be executed for the acquisition of any property or the construction of any improvement to be financed by the issuance of bonds until the ordinance authorizing the issuance of such bonds shall have taken effect and any contract executed before such day shall be voidable.

**6.20. Borrowing in anticipation of other revenues.**

Municipalities – Municipal Elections  
– Term of Office – Russell County

Newly elected officials in the City of Phenix City should take office the first Monday in November in accordance with section 11-46-21 of the Code of Alabama.

Dear Mr. Graham:

This opinion of the Attorney General is issued in response to your request.

QUESTION

Should newly elected municipal officers take office on the first Monday in October, as provided in Phenix City's Charter, or should they take office the first Monday in November, as provided in the Code of Alabama?

FACTS AND ANALYSIS

Your opinion request deals with three enactments. First, Act 71 (1977) ("Act 77"), a general bill of local application ("GBLA"), sets forth the council-manager form of government adopted by the City of Phenix City and embodied in the Phenix City's Charter. 1977 Ala. Acts No. 71, 78, amended by 2000 Ala. Acts No. 2000-641, 1287. Second, Act 2006-354 amended several of the laws governing municipal elections under Chapter 46 of Title 11 (Chapter 46), including section 11-46-21, the law governing the time elected officials take office. 2006 Ala. Acts No. 2006-

354, 937. In a third act, Act 2006-281, the Legislature amended several of the general election laws, which are codified in title 17, to provide, in part, for provisional ballots. 2006 Ala. Acts No. 2006-281, 496.

The City of Phenix City is subject to both the municipal election laws enumerated in Chapter 46 and the general election laws enumerated in title 17, except where Act 77 specifically provides otherwise. Section 1.07 of Act 77 governs the election of a council and states that, "[t]he councilmen so elected *shall take office on the first Monday in October* following the election." 1977 Ala. Acts No. 71, 81. Although this section requires that officers take office the first Monday in October, section 1.06 of Act 77 also governs elections, and it provides that the election be conducted, the votes canvassed and the results declared, "*in the same manner as provided by law in respect to other city elections.*" *Id.* at 80. This section requires that the election be held in accordance with the laws governing municipal elections, which are those found in Chapter 46. Since, however, the implementation of Acts 2006-281 and 2006-354, sections 1.06 and 1.07 of Act 77 are no longer reconcilable.

A city conducting its municipal election pursuant to Chapter 46 must use provisional ballots, as mandated by Act 2006-281. 2006 Ala. Acts No. 2006-281, 496. Consequently, provisional ballots are not canvassed until seven days following the regular election, at which time a runoff election may be necessary. ALA. CODE § 17-10-2(f) (2006). If a runoff election is scheduled, absentee ballots must be assembled, mailed, and returned by the electors, a process requiring several weeks.

Regular elections for the City of Phenix City are held the fourth Tuesday in August, as provided by a local ordinance enacted pursuant to section 11-46-5 of the Code, and runoff elections are held three weeks following the regular election, as stated in Act 2000-641. At the time of enactment, these laws mirrored the laws provided in Chapter 46. Chapter 46, however, was recently amended by Act 2006-354 to provide municipalities using the provisional ballots additional time to complete the absentee ballot process by postponing the time runoff elections are held from three weeks after the regular election to six weeks following the regular election. 2006 Ala. Acts. No. 2006-354, 937. As a result, the time newly elected officials take office was postponed from the first Monday in October to the first Monday in November. *Id.*

Because regular elections for the City of Phenix City are held the fourth Tuesday in August, permitting elected officials to assume the duties of their office on the first Monday in October would not allow

Honorable James P. Graham, Jr.  
Page 3

enough time after the regular election to hold runoff elections and would require officials to take office before the election results are canvassed. Thus, newly elected officials cannot take office the first Monday in October, as stated in section 1.07, if the election is conducted in the manner provided in section 1.06. Your request contemplates whether Phenix City's Charter governs the time newly elected officials take office or whether section 11-46-21 of the Code of Alabama governs.

The fundamental rule of statutory construction is to ascertain and give effect to the intent of the Legislature in enacting the statute. *Ex Parte Ala. Dep't of Mental Health & Mental Retardation*, 840 So. 2d 863, 867 (Ala. 2002); *Gholston v. State*, 620 So. 2d 719, 721 (Ala. 1993). The legislative intent may be gleaned from the language used, the reason and necessity for the act, and the purpose sought to be obtained. *Bama Budweiser of Montgomery, Inc. v. Anheuser-Busch, Inc.*, 611 So. 2d 238, 248 (Ala. 1992).

In this case, the Legislature passed Act 2006-281 to provide for provisional ballots in municipal elections and amended Chapter 46 to provide the additional time necessary for the use of provisional ballots. The Legislature intended the City of Phenix City, through section 1.06, to conduct the election and canvass the results in accordance with the provisions of Chapter 46. To comply with section 1.06, the City of Phenix City must use provisional ballots. Thus, it is the opinion of this Office that the Legislature intended the City of Phenix City to allow newly elected officials to take office the first Monday in November in accordance with section 11-46-21.

Because this opinion causes the City of Phenix City to make a change in a voting practice or procedure, the change should be submitted to the United States Department of Justice for preclearance under section 5 of the Voting Rights Act of 1965 before the change is implemented.

#### CONCLUSION

Newly elected officials in Phenix City should take office the first Monday in November as required in section 11-46-21.
