ADDENDUM #2
F19-02: UNIFORM BID

Notice to Bidders:

The following clarifications are made to the bid documents. Please acknowledge receipt of addenda by providing an initialed copy of each addendum with your bid. Failure to do so will render your bid incomplete.

Question: How are the Police patches going to be purchased, as needed or bulk?

The Police Department generally purchases uniform shirts with the patches installed, but do from time to time order a small batch (100-200) of patches for other purposes.

Question: On Bid E, for each department, will each employee be receiving one unlined lightweight jacket and a heavy jacket?

All new Parks & Recreation/Golf employees will receive both jackets. Jackets of current employees will be replaced as needed. Building Maintenance, Limbs & Debris, Refuse Disposal, Streets & Drainage, Cemetery Maintenance, and Vehicle Maintenance employees will receive one heavy jacket. Utilities employees receive both types of jackets.

Question: When it comes to Bid C – Activewear; the Fire Rescue – Hydrant Tech is described as having a ‘gray short sleeve shirt’ in the specifications and not a tee shirt, but on the bid tabulation form, it is asking for Fire Rescue – Hydrant Tech SS Tee Shirt and LS. Can you please verify?

The Hydrant Tech shirt in Bid C – Activewear should be a short-sleeve tee shirt.
