## **MEDIA RELEASE**

### **Opelika Road and Cutrate Road Closures**

The City of Phenix City and Russell County have a joint project to replace the bridges at the intersection of Opelika Road and Cutrate Road crossing Mill Creek. Due to the construction associated with this project, Opelika Road and Cutrate Road will be closed for approximately nine (9) months. Construction is expected to begin in the next 2 – 3 weeks. A follow up release will be sent out once a definite day and time for the closure is established. A detour will be in place routing traffic around the construction on Opelika and Cutrate Roads which is shown in the attached map. During this time, delays should be expected, and travel times adjusted accordingly. Thank you for your cooperation. You may contact the Phenix City Engineering Department at 334-448-2760 with any questions.
