MEMORANDUM

TO: Wallace Hunter, City Manager
CC: John Spraggins, Utilities Engineer
FROM: Charles D. Woody II, Utilities Director
DATE: December 29, 2021
RE: Garbage Collection Fee Ordinance

Waste Management requested residential rate increases based on the Consumer Price Index (CPI) which will increase the current rates by \$2.69 for the first can and \$0.79 for additional cans.

The existing garbage fee ordinance (Ordinance No. 2015-14) needs to be amended to increase our garbage fees to match the increase of the garbage rate increase by Waste Management. This would increase the rates for the first can from \$18.40 to \$21.09 and for additional cans from \$11.45 to \$12.24.

If you concur, please have the attached ordinance presented to the City Council at the next City Council meeting, January 4, 2022.
