## **MEDIA RELEASE**

### **George Williams Road Resurfacing**

A contractor working for the City of Phenix City will begin resurfacing George Williams Road from Lonesome Pine Road to Abercrombie Road. Work is expected to begin Tuesday August 26 2025 and is expected to last until the project is completed. Dates and times are subject to change due to weather. The road has limited space for travel and resurfacing so alternative routes are recommended during the resurfacing. During this time delays should be expected, and travel times adjusted accordingly. Thank you for your cooperation. You may contact the Phenix City Engineering Department at 334-448-2760 with any questions.
