MEDIA RELEASE

South Railroad Street Closure Update

A section of South Railroad Street between 21st Avenue and Stadium Drive is closed due to ongoing road repairs. This area was closed beginning Wednesday June 18th 2025 and will remain closed until work is completed. A detour and traffic control measures will be in place routing traffic around the construction. We are aware this closure will affect school traffic and we plan to have the repairs completed as soon as possible depending on the weather. During this time, delays should be expected, and travel times adjusted accordingly. Thank you for your cooperation. You may contact the Phenix City Engineering Department at 334-448-2760 with any questions.
